REALITY What's on your mind?
On a scale of 1-10, with 1 being the worst lesson you've taught and 10 being the best, how would you rank that lesson?
Why did you give it that number?
Why didn't you give it a lower number?
What pleased you?
And what else?

CHANGE What would have to change to move the lesson closer to a 10?
If you woke up tomorrow, and a miracle happened so that your students were doing exactly what you would like them to do, what would be different? What would be the first signs be that the miracle occurred?"
If this class was your dream class, what would be different?
What would your students be doing differently if your class was a 10?
Tell me more about what that would look like?
How could you measure that change?
Do you want that to be your goal?
If you could hit that goal, would it really matter to you?

OPTIONS What teaching strategy could you use to hit that goal?
Would you like some suggestions?
What advice would you give someone else if this was their problem?
Which option gives you the most energy?

NEXT STEPS What are your next steps?
What can you accomplish this week to move closer to your goal?
And what else can you do?
When will you do that?
