SUCCESS FACTOR 3

COACHES AS LEADERS

LOOKING BACK:

What happened, and how did you respond? Be honest with yourself: was any part of that responsse about protecting your ego?

LOOKING AT:

Where are you leading yourself well right now, and where are you running on empty? What srengths do the teachers you work with have that you haven't fully used yet?

LOOKING AHEAD:

Wha'ts one way you can bring the conversation back to students and what they need, so it moves away from your role or plan?
